Church of the Holy Communion
Memphis, Tennessee

Memphis is a city known for its cultural diversity, most especially in the arts, and that diversity is celebrated and encouraged at **Church of the Holy Communion**. Music is an integral element of our worship life, weaving together all the parts of our liturgy, making our worship truly “the work of the people.” From the rich **Anglican choral tradition** of anthems and chanted Psalms, from the simplicity of a **Taizé chant** accompanied by flute or violin, or from the authentic sounds of **Celtic folk music** on hammered dulcimer, Holy Communion seeks to offer the highest quality, most genuine music in praise of God, providing opportunities for all to share their talents.

For **children and youth**, we offer a complete choir program beginning with senior Kindergarten and continuing through high school, using the *Voice for Life* curriculum of **The Royal School of Church Music (RSCM)**. Our **three adult choirs** are supported by professional section leaders, and we offer **handbell ringing** for youth and adults. Join the ranks of one of our adult choirs or enroll your child one of our children’s choirs, where he or she will learn to love the music and liturgy of the Church. **Share your talents** with others in thanksgiving for the talents God has given you. We will give you all the tools you need to **share your ministry**, and we will welcome you with open arms!
